

# A Fabulous Event: 46th Dixie Crow Symposium

The Dixie Crow Chapter, of the Association of Old Crows hosted a fabulous 46th Annual Symposium in Warner Robins, Georgia, March 20-23, at the Museum of Aviation, Robins AFB. The **“SOLD OUT”** Exhibit Hall offered the opportunity for vendors to emphasize the importance of Electromagnetic Spectrum Operations (EMSO) including Electronic Warfare (EW) systems and the vital role that Command and Control, Intelligence, Surveillance and Reconnaissance (C2ISR) provides in protecting our warfighters on today's modern battlefield.
