

Air Chief Marshal The Lord Peach Confirmed as Keynote Speaker at AOC Europe

AOC Europe, a leading event in the electromagnetic warfare (EW) and defense industry, is honored to announce Air Chief Marshal The Lord Peach GBE KCB DL as the distinguished keynote speaker. Scheduled to address the audience, Lord Peach will bring his extensive expertise and insights to the forefront of the EW discussion.

As a highly respected figure in the defense and aviation communities, Air Chief Marshal The Lord Peach's participation underscores the significance of AOC Europe as a platform for cutting-edge discussions in EW. His address is anticipated to provide valuable perspectives on the evolving landscape of EW and its critical role in modern defense strategies.

AOC Europe attendees can look forward to gaining unique insights into the challenges and opportunities facing the community and the latest advancements in technology and tactics. Lord Peach's presence will undoubtedly contribute to the success of the event as a hub for knowledge exchange and collaboration.

AOC Europe will occur at the NOVA Spektrum on May 13-15, 2024, in Oslo, Norway. Attendees are encouraged to secure their participation early to benefit from this exclusive opportunity. For more information on the event, visit www.aoceurope.org.

About Air Chief Marshal The Lord Peach

Lord Peach was appointed as the Prime Minister's Special Envoy to the Western Balkans in December 2021. Previously Lord Peach was the 32nd Chairman of the Military Committee of the North Atlantic Treaty Organization (NATO); the most senior and

longest standing military structure in the Alliance. Air Chief Marshal Peach was NATO 's most senior military officer and the Military Adviser to the Secretary General and the North Atlantic Council. In addition, he was the UK's most senior serving officer. He was educated in the West Midlands, attended the University of Sheffield (BA), University of Cambridge (MPhil in International Law and International Relations), RAF Staff College and the Joint Services Command and Staff College (HCSC). He holds 4 honorary Doctorates from UK Universities: Hull, Kingston, Sheffield and Loughborough, in Technology and Letters (DTech, DLitt). Commissioned into the Royal Air Force in 1974, Lord Peach qualified as a nuclear, weapons and electronic warfare instructor. www.gov.uk

About AOC: The Association of Old Crows (AOC) is an organization for individuals who have common interests in electromagnetic spectrum operations (EMSO), including electromagnetic warfare (EW), cyber electromagnetic activities (CEMA), information operations (IO), signals intelligence (SIGNIT) and other information related capabilities. AOC connects members and organizations nationally and internationally across government, defense, industry, and academia to promote the exchange of ideas and information and provides a platform to recognize advances and contributions in these fields. www.crows.org
