

USAFRL/RYW Hosting EMS Warfare Industry Day

The US Air Force Research Laboratory, Sensors Directorate, Spectrum Warfare Division (AFRL/RYW) will host an EMS Warfare Industry Day on Jan. 6. The event will be held at Wright Patterson AFB, Ohio, and will be conducted at the Secret level. The event will include briefings from RYW leadership, senior technologist, tech area lead, program managers and lab leads and will include briefings on current efforts and the EMS Warfare roadmap. RSVP by Jan. 6 via e-mail AFRL.RYW.EMSIndustryDay@us.af.mil.
