[From the Crows' Nest](#) host Ken Miller was on the ground for AOC 2025, where nearly 2,500 professionals from 30+ countries gathered December 9-11 in National Harbor, MD, to discuss the latest in electromagnetic spectrum operations. He captured candid interviews with industry leaders, military innovators, and government experts, including AOC President Tony Lisuzzo, MPG President Ron Ruppensburg, Dr. Ian Dunn of Spectrum Control, award-winning members of the Washington Air National Guard's 194th Wing, and more. [Watch the full playlist](#) for insights on emerging technologies, operational challenges, and the future of EW and spectrum warfare.
